

McLarens Europe

Global Presence, Local Knowledge

The McLarens family of brands' goal is to deliver the best in loss adjusting claims, worldwide. The professionals at McLarens live by a set of shared values that guide their actions and behaviours in all our work:

Excellence – We aim for nothing less than the highest standards in everything we do

Teamwork – We work best when we work together with clients, colleagues and suppliers alike

Respect – We are trusted to keep our promises, act with integrity and treat people the right way

Knowledge – We know our market better than anyone, but still, we never stop developing

Thought Leadership – We use inspired thinking and pioneering solutions to stay ahead in an ever-changing market

McLarens European Network

McLarens have an owned presence in the UK, Ireland, Spain, and the Netherlands. In common with all international loss adjusting companies, McLarens' network is extended across Europe through affiliate partners who share our passion for technical loss adjusting and our delivery ethos, putting customers at the centre of all that we do.
