

McLarens Dispute Resolution

In today's dynamic and fast-moving world, disputes are often unavoidable, and at McLarens we recognise that each dispute is unique. We seek to treat each dispute in a professional manner, through negotiated settlement, mediation, arbitration, expert determination or via a litigated

outcome, and we have the expertise to respond.

Our Dispute Resolution service harnesses a recognised team of leading industry experts with experience of participating in the various available ADR forums.

Our fully qualified and accredited experts have an in-depth understanding of the responsibilities of an expert witness. Our objective is to deliver authoritative, concise evidence and guidance in all cases, providing timely dispute resolution assistance and expertise.

Our services and expertise

Excellence is at the heart of everything we do at McLarens and we are trusted by clients worldwide to deliver the best in claims management, loss adjusting, auditing, surveying, dispute resolution and expert witness solutions. Our reputation is built on the experience and knowledge of our individual team members, who bring an average of 25 years' experience.

Our areas of expertise include but are not limited to the following:

- Property & Casualty – scope and quantum determination
- Business Interruption / Forensic Accounting
- Insurance policy interpretation and coverage
- Building surveys and reinstatement cost assessments
- Building Defects
- Party wall disputes

- Forensic cause and origin determination
- Fire Engineering and Building Performance Investigation
- Loss mitigation and conservation

We carry sector specific expertise across the following:

- Aviation
- Agriculture
- Cyber and Technology
- Construction
- Natural Resources

Benefits to clients

Our Dispute Resolution service will provide a leading range of multi-disciplinary experts, with a unique breadth of experience and knowledge. Their professionalism and practical experience have established the foundation to provide expert witness services, with the overriding duty being to

assist the court or tribunal, with clear and precise written evidence and in presenting astute oral evidence.

The service offers the following major benefits to our insurance and legal clients:

- Professionally qualified & accredited expert witnesses

- Individuals recognised for their industry knowledge and a track record of positive impacts in their profession
- Members of the Academy of Experts
- Specialists in quantification of loss and damage
- Clarity in communication and reporting
