

UAE Storm Bulletin - Update 16.4.2024

UAE authorities are urging residents to stay at home following torrential rain and thunderstorms experienced throughout the day.

'Hazardous weather' expected to last until 6pm on Wednesday with an orange weather alert from UAE NCM remaining in place for that period.

Dubai appears to have bore the brunt of the bad weather with power cuts reported in some areas and many road closures due to flooding. Several residential communities have also experienced flooding. Damage is also reported in hotels, shopping malls and other commercial premises. Flights from Dubai International Airport were cancelled whilst others were delayed due to the adverse weather. Public transport has also been affected.

A third wave of thunderstorms are forecast for the early evening of 16th April.

McLarens Storm Surge Bulletin

UAE Storm Bulletin - Update 16.4.2024

McLarens Response

We are continuing to monitor the situation closely and our team are best placed to respond efficiently to your requirements.

We have activated our Surge Plan which means we are ready to respond efficiently and we will utilise the flexibility of our response to meet the needs of Insurers and their policyholders.

Given the widespread nature of this weather event we are very well placed to respond with team members located in both Dubai and Abu Dhabi on standby to assist in all of the Emirates as required by Insurers.

Outlook

Our team of experienced adjusters and engineers remain on standby to assist you and your clients as required. Our team can be contacted on their mobiles or by email out of hours during this time.
