### BIOGRAPHY

Robert embarked on his professional journey in 2017 as a property & casualty trainee at Sedgwick. Robert transitioned to a role as a commercial property & casualty claims adjuster at Sedgwick where he worked until 2019. Robert joined McLarens in 2021 as a Senior adjuster and has handled a substantial caseload of commercial claims.

During his career, Robert has adeptly managed intricate, high value, and high touch claims across diverse sectors such as Public Entities & Utilities, Schools, Oil & Gas, Technology, Manufacturing, and Cargo. Drawing on his past experiences handling claims throughout the United States, Robert navigates catastrophic events to ensure clients receive fair and equitable outcomes. Robert was promoted to the role of General Adjuster in April 2024.
