18 Years

BIOGRAPHY

Brice joined McLarens in 2018. Previously, he worked for Progressive Casualty Insurance Company for over 10 years working his way up from a General Adjuster, to Claims Team Lead and finally to Senior Claims Adjuster- Commercial Lines. He has also held a position as Special Investigator with American Access Casualty Company.

He was previously actively involved with TASIU (Texas Association of Special Investigation Units) and IASIU (International Association of Special Investigation Units) during his time as a Special Investigator.

In his nearly 20-year career as an adjuster he has handled over 3,000 Heavy Equipment losses.
