BIOGRAPHY

Ravi is a Chartered Loss Adjuster with a demonstrated history and Insurance industry experience in investigating, evaluating and management of Commercial property damage, Strata and Liability claims on behalf of Australian and International insurers.

Ravi commenced his career in the insurance industry in 2008, working for a major insurer in their major and complex claims team.

After stepping into Loss Adjusting industry in 2011, Ravi has worked across Global and Niche Adjusting firms, and has extensive experience in catastrophe response including flood, bushfire and storm events in Australia and New Zealand.
