

Forensic Accounting

McLarens' Forensic Accounting team specializes in providing forensic accounting services relating to insurance claims. Our expert assistance commences early in the claim process helping the claimant formulate an appropriate mitigation strategy. Internally, we collaborate among our forensic accounting team and our property adjusters allowing us to develop outcomes to reduce the Claimants and Insurers overall exposure and produce a superior result.

McLarens Forensic Accounting has expertise in the following lines of business:

- Advanced loss of profits
- Bankers bond
- Business interruption
- Class action
- Credit guarantee
- Cyber
- Fidelity guarantee
- Financial Liability
- Malicious product tamper and extortion
- Product guarantee
- Product liability
- Product recall
- Stock

Further, we also offer the following specialist services:

- Fraud
- Litigation support
- Catastrophe response
- Pre-risk surveys
- Recovery actions
- Tax audit

Our Approach

To provide the mitigation strategies that will reduce both the length of time a loss continues and its financial impact, we combine the following:

1. An in-depth knowledge of each industry sector
2. Practical understanding of the claims process
3. Broad comprehension of all elements of an insurance policy
4. The relationship with our adjusting colleagues.
