ADJUSTER EXPERIENCE

43 years

BIOGRAPHY

Malcolm Addy has over 43 years' experience in loss adjusting, with the past 21 being overseas. Aside from 2 years in Asia, he has been based in the Middle East for 19 of those. He joined McLarens in September 2016 in the role of Country Manager – UAE, based in Dubai while also overseeing operations in Bahrain and Qatar.

Since 1998 Malcolm has worked in senior roles in the GCC insurance markets heading up offices in KSA, Qatar and the UAE and operated in the wider Middle East region.

Malcolm has an extensive background in commercial claims, liability, energy, EAR/CAR, and utility losses and as sole adjuster on many LNG and petrochemical projects.

Countries he has lived in and visited in a professional capacity include Bahrain, Cambodia, Jordan, Kuwait, Oman, Qatar, Saudi Arabia, Thailand, United Arab Emirates and United Kingdom.
