31 Years

BIOGRAPHY

Vivek is an Associate of the Insurance Institute of India with over 30 years experience in marine cargo claims. He has personally carried out more than 3000 surveys in India, Nepal, Bangladesh, United Arab Emirates, Oman and Bahrain.

Vivek started his career as a cargo surveyor at Lloyd's Agency, Kathmandu, Nepal in 1992 and thereafter acted as Manager, Lloyd's Agency, Kathmandu and in New Delhi, India. Later he headed the India and Nepal operations of one of the oldest and largest international survey and claim settling agents in India.

Relocated to UAE in 2015, he has more than 7 years experience handling claims all around the Middle East. Vivek recently joined McLarens in Dubai as Marine Manager, UAE.
