BIOGRAPHY

Adam Yeung is a seasoned adjuster with over 15 years of experience, having entered the loss adjusting profession in 2010. He began his career as a Claims Officer and progressed through roles including Senior Adjuster and Assistant Manager, before serving as Associate Director at CMS Hong Kong Ltd from 2022 to 2025.

He currently holds the position of Associate Director at McLarens Hong Kong Ltd, where he plays a key role in overseeing General Adjusting Services (GAS) operations in the region. Adam specializes in catastrophe (CAT) response, casualty, property, and third-party administration claims.

As a trusted technical expert, Adam has managed a wide range of high-value and complex losses across Hong Kong, China, and Macau. His notable assignments include a MOP 60 million supermarket loss in Macau following Typhoon Hato, and a HKD 5 million water damage claim involving a hotel in Hong Kong. His meticulous attention to detail and strong analytical skills have earned him the confidence of clients navigating challenging claims.

Adam holds a Bachelor of Business Administration (Hons) in Risk and Insurance Management and a Bachelor of Laws (Hons, 2016). He is also a Senior Associate of ANZIIF. With his strong technical foundation and broad industry exposure, Adam brings both depth and reliability to his adjusting practice.
