BIOGRAPHY

Darren commenced his insurance career in 1988, holding a number of different claims roles with UK Insurers across all classes of business.

Following a hiatus in his insurance career, he joined QBE in 2010 when emigrating to Australia. During his 13 years with QBE, he held a variety of roles in the General Insurance and Statutory Class spaces, progressing to the major and complex loss team. Darren was later appointed Technical Lead of QBE's Construction Team, where he managed complex construction and liability claims.

Darren has recently joined McLarens as an Adjuster to utilize his experience in investigating and managing construction claims.
