BIOGRAPHY

Kyle commenced his adjusting career at Farmers insurance in 2006 as a liability adjuster and handled a wide array of homeowner's liability and automobile liability losses. In 2008 he transferred to an agency where he worked serving personal and commercial accounts. In 2010 Kyle transitioned back into a claim's role with Progressive insurance where he worked as both a liability adjuster and an automobile physical damage adjuster/appraiser where he managed an affiliated repair facility with over \$1 million dollars in repairs annually.

In 2013 Kyle was hired at McLarens as a Senior Adjuster where he began handling ocean marine and property claims. Kyle has handled a wide array of claims for large commercial and public entity clients including losses involving heavy equipment, machinery, builders risk, commercial vehicle claims, and property claims.

In 2018 Kyle was promoted to a Regional General Adjuster where he began taking on assignments of greater complexity including time element, builders' risk, and high net worth claims. In 2022 Kyle was promoted to the position of Executive General Adjuster and currently oversees several insurance programs including a high-profile Real Estate Investment Trust, A Risk Pool for Public Entities, and a Commercial Waste Management Company.
