BIOGRAPHY

Steven Stewart has over five years of experience in the insurance industry, after having started his career in the financial sector. Steven has a Dual Bachelors of Science degree in Business Administration and Sports Management from Neumann University in Aston, PA.

In his time as an adjuster, Steven has handled claims for companies within the top Fortune 1000, with a dedicated focus on commercial property, liability, and builders risk losses. During this time, he has also assisted with risk management accounts with respect to property damages, business interruption, and builder's risk. Steven has also handled CAT losses that include Hurricanes Matthew, Irma, Florence, Dorian, Laura, Ida, and Ian, along with the Texas Freezes in 2021.
