ADJUSTER EXPERIENCE

6 years

BIOGRAPHY

Raveeda began her insurance career at Desjardins General Insurance Group, acquiring comprehensive expertise in claims adjudication, client relations, and risk evaluation. Subsequently, at Sedgwick as an Independent Adjuster, she managed complex claims across multiple lines of business, conducting detailed file reviews and collaborating with insurers, brokers, and legal counsel to ensure precise liability determinations and effective claims resolution. Currently, as a Claims Examiner at McLarens, she oversees the full claims lifecycle, directing loss adjusters and third-party administrators, performing detailed policy analysis, establishing appropriate reserves, and managing Electronic Claims File (ECF) updates. Her methodical and strategic approach ensures alignment of claims outcomes with organizational risk management objectives and stakeholder expectations.
