ADDITIONAL EXPERTISE

Senior Adjuster experienced in Property, Casualty, and Special Risks sectors. Expert in managing complex and catastrophic claims, with a strong track record in coordinating resources for high-impact claims in Mexico and LATAM.

BIOGRAPHY

Francisco began his professional career in the insurance sector in 2001 as a Retail Broker, gaining solid experience in risk management.

In 2004, he embarked on his career as an Adjuster, accumulating extensive experience in handling and resolving claims across various insurance segments. His specialization includes the management of claims related to catastrophic and high-impact risks.

Throughout his career, Francisco has completed numerous professional development courses delivered by renowned institutions and insurance associations, reinforcing his continuous professional growth.

In October 2024, he joined McLarens Mexico, further solidifying his career with a widely recognized company in the insurance market.
