BIOGRAPHY

Leonardo Duarte is the Country Manager for McLarens and Lloyd Warwick's operations in Brazil. He has 18 years of experience in loss adjusting. He worked as a claim's coordinator for six years at Brazil's largest Oil & Gas company before transitioning to loss adjusting firms. Leonardo has led numerous large losses cases in Brazil and worldwide as a executive adjuster. He has extensive experience in the upstream and downstream markets, as well as in renewable energy, property, and general liability. Additionally, he serves as an art expert and loss adjuster for show and event claims.
