BIOGRAPHY

Scott Schwarzlose is an accomplished insurance adjuster with extensive expertise in commercial and residential property claims, storm restoration, and complex loss analysis.

Scott has built a career managing diverse claims including construction defects, multi-family dwellings, school districts, and general liability. With a strong background in construction, he excels at cost analysis, consultant management, and delivering settlement recommendations that achieve fair outcomes for both insurers and insureds.

He has overseen large-scale accounts and has collaborated with the State Office of Risk Management for Texas. Known for his robust national network, Scott effectively evaluates expert involvement, controls costs, and ensures efficient, transparent, and trustworthy communication to drive positive results.

Scott is a graduate of Texas State University–San Marcos with a BA in Political Science and a minor in English.
