### ADJUSTER EXPERIENCE

3 years

### BIOGRAPHY

Alejandra is an Adjuster with three years of experience in the insurance sector. She has handled claims in the home and SME lines, assisting clients from various industries, including small businesses and larger companies. She frequently manages home claims related to theft, water damage, material losses, and liability. In the SME segment, she oversees liability, machinery, equipment, and goods losses. She has field experience, technical analysis skills, and prepares detailed reports and budgets. Known for her proactive approach, commitment, and quick learning ability.
