Capabilities

McLarens UK

Quality is at the heart of McLarens

At McLarens, we have a passionate belief in quality loss adjusting, claims management and account handling. To provide you with quality services, we focus on the key elements of loss adjusting: people, communication, and prompt and cost-effective resolutions.

Our team of highly qualified adjusters understand the expectations of insurers, brokers, and policyholders. They draw upon their considerable claims experience and technical knowledge to deliver creative solutions.

By focusing on commercial and specialist lines, we concentrate on what we do best. Delivering on our promises at the right place and at the right time.

Our clients describe us as **proactive, client focused, market leading and professional.***

*The most popular responses from our Annual Client Survey question 'If asked to describe the service from McLarens, what key words would come to mind?'
