ADJUSTER EXPERIENCE

25 years

BIOGRAPHY

Felix is a Civil Engineer with a postgraduate degree in Maritime and Port Law. He has 24 years of experience in the insurance industry, specializing in claims analysis, risk control, and NFPA codes. He has worked with major loss adjusting firms such as McLarens, Crawford, and Criteria, and held key roles at AIG, including Claims Manager for the Colombian Caribbean and Maritime Claims Lead for Colombia, Ecuador, and Venezuela. He later served as Claims Director for the Caribbean region. Felix has in-depth expertise in civil engineering, project evaluation, and the maritime and land transport sectors, with additional experience in railway maintenance and heavy construction machinery.
