BIOGRAPHY

Manuel is a Business Administrator with over six years of experience in the insurance sector, specializing in technical analysis and claims handling related to Machinery Breakdown, Equipment, and Construction risks. He has strong skills in loss assessment, policy interpretation, and efficient claims management, ensuring timely and technically sound service. His comprehensive understanding of the indemnity process, combined with risk management knowledge, allows him to operate with strategic and technical judgment in demanding environments. He is known for his analytical thinking, effective communication, and client-oriented approach.
