BIOGRAPHY

Mark Knowles began his career with a large independent adjusting firm, where he developed skills in adjusting all lines of insurance.

After 10 years as a field adjuster, Mark moved into management where he held titles as Branch Supervisor, Team Manager, Branch Manager and Vice President/ Managing Director.

After 36 years in the IA business, Mark Joined McLarens in 2019 to establish and enhance structure of our day to day business operation. Mark's emphasis on customer service and product quality coupled with his team style approach on managing the adjustment of losses has created growth and success in his region.
