### BIOGRAPHY

Rusty began his insurance career with American States Insurance in 1985 handling multi-line claims. In 1991, he took a Property Specialist Claim position with CNA Insurance. During his time with CNA, he held numerous positions including Large Loss Property Adjuster, Branch Property Re-inspector, Home Office Property Specialist and Home Office Property General Adjuster.

In 2004, he joined McLarens and in 2007, he became Assistant Vice President and Executive General Adjuster. He has provided both field and office supervision in his various insurance rolls and is a lead account adjuster on several different policies. Rusty has been involved in numerous catastrophes, both as an adjuster and supervisor, ranging from hurricanes and hail storms to earthquakes. He has handled many, multi million dollar losses, working with both Domestic and International Underwriters.
