BIOGRAPHY

Chris began his insurance career in 2001 working within an Insurers property claims department before moving into Loss Adjusting in 2008. He has worked for Cunningham Lindsey & QuestGates, as a Commercial Adjuster before moving into a Managerial role.

Chris has a broad range of experience, including people management and all aspects of Domestic and Commercial Property Adjusting. He has dealt with losses arising from surge events, notably the Ballater Flood in 2015 and recent Storm events, Arwyn & Ewoyn.

Chris currently holds the Cert CILA and Cert CII (claims) qualification and is currently undertaking studies towards obtaining the Dip CILA qualification.

Chris joined McLarens in May 2025 as a Major Loss Adjuster for the Scotland office dealing with large and complex losses across the country.
