BIOGRAPHY

Jim began his adjusting career in 1994 with a major national carrier, handling first party personal and commercial lines claims. He eventually became the dedicated general adjuster for the New York City metro area handling complex high exposure claims.

In 2015 Jim jumped to the independent side of the business, as he continued to be a trusted resource sought out by fellow adjusters. He joined McLarens in 2017 as a National General Adjuster.
