### ADJUSTER EXPERIENCE

7 Years

### BIOGRAPHY

Laura has 6 years' experience working within the forensic accounting and business interruption adjusting industry, starting as a graduate in July 2018 and working at three major loss adjusters.

Prior to this she worked within the FNOL reporting team at a major Loss Adjuster for 2 and a half years which enabled her to gather an understanding of the basic principles of Insurance, along with improving her customer service skills and empathy.

Laura has experience in the quantification of multi-million-pound financial losses across multiple sectors for insurance and legal purposes, acting for major insurers, re-insurers and law firms, along with experience in the quantification of business interruption elements of liability claims.
