BIOGRAPHY

Brandon Novangelo is a Loss Adjuster with a Civil Engineering background from the National Institute of Science and Technology (ISTN). He began his career in 2020 handling property and construction claims and has been with McLarens Indonesia since January 2023, contributing to major claims projects, including in the Nusantara Capital City (IKN).

In 2024, he earned a master's in management from Trisakti University, combining technical expertise and managerial insight to deliver professional and efficient outcomes.
