BIOGRAPHY

Marcia Gelon began her insurance career in 1989 in California as a property staff adjuster. She then traveled on the Large Loss National Team throughout the US handling losses in excess of \$100,000. In 2011, she relocated to Scottsdale Arizona as an Independent Adjuster and joined McLarens in 2016. Marcia specializes in Large Loss Commercial property claims which includes hotels, restaurants, apartment complex's, homeowner associations/multi-family housing, builders risk/construction defect, assisted living facilities, and many of the municipalities throughout Arizona.

Marcia specializes in first and third party property claims and has a strong background in construction. She is also proficient in Xactimate estimating software.
