BIOGRAPHY

Stephen leads our UK & Ireland Agriculture practice. He is a well-known figure in the Agricultural Insurance market having worked as a successful operational and strategic loss adjuster/director for initially McLaren Dick & Co leaving to join Crawfords, and recently returning to McLarens as Head of Agriculture for the UK & Ireland.

Stephen is a farmers son, qualified in agriculture from Reading University with a working knowledge of dairy, arable, sheep, beef, intensive and organic poultry, and pigs, renewable energy projects and revenue aspects, game rearing/ rural pursuits, estate management/heritage buildings, intensive /organic soft fruit production and growing/packing/logistics/distribution field to table agricultural products.

Prior to entering the Insurance industry, Stephen spent nine years as a technical specialist in Agri-nutrition and Pesticides/fertilizers.

Stephen has completed the Cardiff University Bond Solon (CUBS) Expert Witness civil accreditation.
