ADJUSTER EXPERIENCE

32 years

BIOGRAPHY

Troy brings more than 25 years of combined experience in claims management, restoration, and loss adjusting. His five years as Operation Manager in a leading Fire and Water restoration provided a strong technical foundation in water and fire remediation, as well as a broad understanding of complex property damage claims.

Throughout his career, Troy has been involved in numerous major catastrophe events, including bushfires, hailstorms, floods, cyclones and the Christchurch earthquake. He has extensive on-the-ground experience across rural and regional areas of New South Wales, Victoria, Queensland, the ACT and New Zealand.

For the past 20+ years, Troy has worked as a Senior Loss Adjuster, specialising in property claims across a diverse range of sectors. His portfolio includes commercial property, strata, churches, government schools, aged care facilities, and stock losses. Troy's depth of knowledge, technical proficiency, and practical experience make him a highly respected specialist within the industry.
