ADJUSTER EXPERIENCE

2 years

BIOGRAPHY

Xavier is a civil engineer with extensive experience in the construction industry, having previously worked as a contractor and urban planning consultant. He joined McLarens Indonesia in 2023 and was entrusted with establishing and launching the company's Bali branch.

He handles various types of claims, including liability, heavy equipment, and business interruption, with a primary focus on commercial property losses. Xavier is currently pursuing professional qualifications in insurance and loss adjusting through ANZIIF.

NOTABLE ASSIGNMENTS

- Complex casualty and liability loss cases, and catastrophe flood claims in Bali
