English/ Filipino

### NOTABLE ASSIGNMENTS

Gezavil is a licensed Civil Engineer with a strong background in construction operations, bringing practical insight and technical expertise to the loss adjusting profession. She spent eight years in high-rise building construction, gaining extensive experience in site execution and project coordination.

Since transitioning to loss adjusting in 2022, She has specialized in Construction All Risk (CAR) Insurance, Property Insurance, and Contractor's Performance and Surety Bonds. Her engineering foundation supports her ability to assess complex claims with accuracy and efficiency, while working closely with stakeholders to deliver fair and transparent outcomes.
