BIOGRAPHY

Luke brings a strong foundation in both the construction and real estate sectors, combining technical building knowledge with exceptional customer service – qualities that underpin his professionalism in the loss adjusting field.

After commencing his career with Crawford & Company in 2021, Luke joined McLarens to satisfy his appetite for larger and more complex claims where he continues to excel and refine his knowledge.

Recognised for his technical ability and for building and maintaining strong working relationships, Luke is well respected across the industry.

Luke holds an ANZIIF Diploma of Loss Adjusting, is an Affiliate Member of AICLA, and a Senior Associate of ANZIIF. He remains committed to achieving Chartered Loss Adjuster status.
