BIOGRAPHY

Natalie graduated from Guangdong University of Foreign Studies in June 2011 and completed an exchange programme at I-Shou University, Taiwan in August 2010. She majored in economics and international business.

Natalie entered the insurance market in 2011. She worked as a trainee at Sino Life Fund Insurance company in Guangdong province for almost two years, during which time she have obtained extensive experience in the insurance industry.

In September 2013, she joined McLarens.

Natalie is focused on handling large/ complex losses and takes an active role in business development, building enduring relationships in the insurance industry, and delivering excellent customer service.

On the claim handling side, Natalie is involved in handling: Public Liability, Product Liability, and Account Management

Natalie is the coordinator for liability accounts and the contact point for receiving assignments on these accounts within McLarens China.
