### BIOGRAPHY

Nick Alvarez is an experienced Executive General Adjuster at McLarens, specializing in large loss commercial property claims. With nearly two decades of experience, Nick has developed a strong expertise in handling complex claims across a wide range of commercial real estate property sectors including retail, restaurant, hospitality, habitational, industrial, municipality and manufacturing. He has a proven track record of managing complex loss adjustments, catastrophic events, and account management.

Nick's experience and expertise allow him to offer tailored solutions to diverse clients. He takes a hands-on approach to coordinating resolution efforts with internal and external stakeholders. His ability to accurately assess a situation and develop and execute an action plan has helped him to successfully resolve thousands of claims over the years.
