BIOGRAPHY

Sharon started her career in insurance as a Claims Handler at QBE Insurance in London in 1989. She took up a trainee Adjuster role at McLarens Toplis in Stratford London in 1991 and handled both domestic and commercial losses, transferring to the West End Branch of McLarens in 1994 where she gained experience with High Net Worth claims. During this period, she worked in Northern Ireland following the winter storms in 1998/1999.

After a career break to raise a family, she returned to adjusting, working at Woodgate and Clark, before joining McLarens London Office in March 2015 as a commercial loss adjuster. In July 2020 Sharon joined our Private Clients division offering a wealth of adjusting experience, High Net Worth knowledge and a tailored approach to meet the needs of our bespoke clientele.
