ADJUSTER EXPERIENCE

24 Years

BIOGRAPHY

Andrew is a Property Adjuster, who began his Adjusting career in 2002. Andrew joined McLarens in December 2015, having previously worked for Loss Adjusting firms, notably, Ashworth Mairs for a period of eight years, continuing his role through the subsequent rebranding to Merlin. Andrew has achieved the Associate of Chartered Institute of Loss Adjusters (ACILA) qualification.

Andrew has experience of a broad range of claims handling, including domestic, commercial, business interruption, and special investigations. He has been part of major incident teams handling catastrophe claims during the 2002 UK Storms, 2007 floods in Yorkshire and the West Midlands, along with the 2015 flooding to Cumbria, Yorkshire and the Midlands.

Andrew was promoted to Executive Adjuster in 2019.
