### BIOGRAPHY

Felipe Ramirez has been appointed as Managing Director of the McLarens Latin America business in July 2024.

Prior to his current appointment, Felipe served as the Managing Director for Latin America for a global professional insurance services company, overseeing a team of over 350 people across the region. Under his leadership, the business experienced substantial growth and expansion.

Felipe is an Industrial Engineer with a specialty in Finance. He brings to McLarens a wealth of industry knowledge and leadership experience with a proven track record of building meaningful partnerships. He has been a loss adjuster for over 25 years working within the Latin American, US and London markets. As part of the expansion in Mexico, Colombia, Peru, Chile and Brazil, Felipe has handled diverse assignments ranging from Oil & Gas, Power Generation, Mining, CAT events, Marine, Financial Lines, Cyber, Aviation, Civil Liability, Environmental and Business Interruption.

### NOTABLE ASSIGNMENTS

- Refinery fire and business interruption, Oil and Gas
- Fire and explosion in offshore process/distribution facilities
- Catastrophe Management in over 10 major catastrophes and in over 6 countries (Earthquakes and Hurricanes)
- Product Recall in Automobile sector
- Environmental damages from crude oil spills, various countries and incidents
- Coal mine explosion and collapse
- Diverse mining events ranging from strikes, refining, environmental, transportation, business interruption
- Natural Disaster Fund lead adjusting, Mexico
- Casualty Management and Numerous Marine and Cargo major events
- Hotel and Service related damages and business interruptions following major hurricanes
