### BIOGRAPHY

Marcus A. Reath is Vice President, Senior Executive General Adjuster with McLarens. Based in Michigan, Marcus focuses on the firm's North American strategy and the handling of complex commercial property, casualty and construction losses. Marcus is the designated loss adjuster for a portfolio of national and global accounts. He joined the firm in the spring of 2011. Prior to McLarens, Marcus was with a Fortune 500 insurer and a regional independent loss adjuster.
