BIOGRAPHY

With five years of dedicated experience in loss adjusting, Naveen brings strong capability in managing complex and major loss claims across strata and commercial property portfolios. His background includes a variety of property claims roles with leading insurers across Australia and New Zealand, giving him deep technical insight and a comprehensive understanding of the full claims lifecycle. Naveen is recognised for his meticulous investigative approach, technical precision, and commitment to delivering fair and timely claim outcomes. Prior to entering the insurance sector, he spent eight years in investment banking operations with leading global banks, further strengthening his analytical and operational expertise.
