### BIOGRAPHY

Ollie is a Chartered Loss Adjuster and Commercial Development Director (Middle East) operating from our Dubai office. He has experience handling multi-million dollar major and complex losses throughout Europe, the Middle East and North Africa. Ollie joined McLarens from another international loss adjusting practice where he most recently held the position of Head of Property for the Middle East region.

Ollie has responsibility for commercial development of the business and has an active caseload of large and complex cases across the region. Ollie is a prior Council member for the Chartered Institute of Loss Adjusters in London and is an active speaker at technical conferences on a wide range of subjects relating to the loss adjusting profession.
