BIOGRAPHY

Shawn began his career with Adjusters Canada Inc. in 1995, (later Crawford & Company) and worked in the Global Technical Services Division as a Senior General Adjuster. For four years Shawn was a Partner in an Insurance Industry Emergency Services/ Construction Company. This experience provided invaluable knowledge in construction, associated laws, and building codes which has served well in the insurance adjusting field.

In May 2010, Shawn partnered with Shawn Malik and James Giffen to form MGB Claims Consultants Inc., a specialized risk adjusting firm servicing the commercial and industrial risk market. Shawn has extensive expertise in major Commercial & Industrial Property, Boiler & Machinery, Energy & Power Generation, Arson, Construction All Risk- Energy All Risk, and Wrap-Up Liability.
