BIOGRAPHY

Katey Circosta is a dedicated Loss Adjuster with a strong foundation in insurance repairs, customer service, and project coordination. She began her career with Complete Building Services, where she gained hands-on experience managing insurance repair projects from initial assessment through to completion. This early exposure enabled her to develop a practical understanding of building processes, stakeholder management, and the complexities of insurance-driven repairs. Transitioning into loss adjusting, Katey leverages her technical knowledge and on-the-ground experience to deliver fair, accurate, and well-informed claim outcomes. She is known for her ability to communicate clearly with clients, insurers, and contractors, ensuring transparency and confidence throughout the claims process.

Katey brings a detail-oriented and solutions-focused approach to every claim, underpinned by strong organisational skills and a commitment to high-quality service. She is passionate about building trusted relationships and consistently delivering outcomes that balance customer needs with insurer expectations, reflecting professionalism and integrity in all aspects of her work.
