BIOGRAPHY

Martin is a dual qualified Chartered Accountant and Chartered Loss Adjuster holding a PhD in Civil Engineering.

Prior to joining McLarens as their Head of Forensic Accounting in Australia, Martin was the Global Head of Forensic Accounting for a multi-national firm of loss adjusters and the Country Manager of their Specialist Adjusting unit overseeing the operations of their large and complex loss, Construction and Power & Energy, Liability and Forensic Accounting divisions.

Martin specializes in the forensic analysis and adjustment of Business Interruption, Cyber, Product Contamination/Product Liability, Fidelity/3rd Party Fraud and Stock Claims, and is a recognized industry leader in the assessment of Business Interruption and Product Contamination claims, providing training and expert advice to the broader insurance community.
