### BIOGRAPHY

Keegan Harpur is an Executive General Adjuster at McLarens, based in Christchurch, with over 18 years' experience in the loss adjusting and property sectors. Since joining McLarens in 2010, he has developed a strong reputation for delivering pragmatic, technically sound solutions across complex and high-value claims.

Keegan specialises in commercial property, contract works, liability, and major loss—both commercial and residential—bringing a well-rounded perspective shaped by his early career in property management and passion for construction. This background provides him with a deep understanding of asset performance and function alongside insurance loss, enabling effective navigation of technically challenging matters.

He holds a Bachelor of Commerce in Property Management and Valuation and a Diploma in Loss Adjusting. Keegan is a Fellow of the Australasian Institute of Chartered Loss Adjusters (AICLA) and a Senior Associate of the Australian and New Zealand Institute of Insurance and Finance, reflecting his commitment to professional excellence.

Keegan is an active contributor to the wider industry, serving on the New Zealand Insurance Law Association (NZILA) committee since 2021 and participating in national insurance law initiatives.

Known for his diplomatic and assertive approach, clear communication, and strong stakeholder management, Keegan is trusted by clients and colleagues alike to lead complex assignments and deliver quality outcomes.
