BIOGRAPHY

Darren joined McLaren's in September 2025 from the Davies Group where he dealt with numerous domestic and commercial claims involving:

- Fire
- Flood
- Escape of water
- Catastrophic storm events
- Subsidence
- Oil spillage remediation

Darren has nearly 40 years of experience in the construction industry both here in the ROI and the UK, working on both client and contractor side. He has been involved in an extensive range of projects from a Planning, Project/ Site Management, Building and Quantity Surveying role as well as experience as an Expert Witness.
