ADJUSTER EXPERIENCE

32 years

BIOGRAPHY

Initially working in broking as a construction claims technician, Darren commenced work as a Junior Adjuster, handling domestic losses in 1993.

Working for Pycraft & Arnold from 1994–1999, Darren furthered his experience with domestic and smaller commercial losses, subsequently taking on the role of Senior Adjuster and managing a team of claims technicians after the business merged with Miller Fisher Plc, also taking on a deputy management role within the branch up until 2002. Having taken a role as a director in a small adjusting business, Darren reverted to a commercial claims handling role as a Senior Adjuster for Crawford & Company, undertaking management duties within the Croydon branch until 2011. After managing an adjusting branch office until 2012, Darren left to undertake a pure claims role with Woodgate & Clark Limited, handling commercial complex and Major Losses.

Darren joined McLarens in June 2025 as part of the Major Loss team for London & South East.
