ADJUSTER EXPERIENCE

15 Years

BIOGRAPHY

With over 15 years of experience in the insurance industry, Graham brings a strong background in loss adjusting, claims management, underwriting, and fraud investigation. He is currently a Commercial Property Adjuster with McLarens, managing property claims from instruction through to settlement and ensuring fair, efficient outcomes for customers. Before joining McLarens, he worked at GHG Solutions Limited and at Sedgwick International UK as a Property Loss Adjuster and previously led the Special Investigations Unit at Tradewise Insurance Services Ltd, where he managed a team tackling application fraud and represented the company in court as an expert witness. Earlier in his career, he gained valuable experience in underwriting and customer relations, building a deep understanding of policy management and risk assessment. He is passionate about delivering transparent, high-quality service and maintaining integrity and professionalism in every aspect of the claims process.
