### BIOGRAPHY

Mark began working in this industry in 2018 as an independent adjuster for York Risk Services. While at York, he handled first-party homeowners, commercial, and theft claims. In 2020, he worked for Sedgwick as a General Adjuster and Regional General Adjuster, where he managed daily claims as well as CAT deployments for both residential and commercial claims. He has assisted EGAs and has also served as a lead adjuster. Mark has handled claims related to the perils of theft, fire, vandalism, wind, hail, water, smoke, and ash.
