BIOGRAPHY

Michael has over two decades of marine insurance experience and has handled all types of Marine, Offshore Energy & Gas claims inclusive of Hull & Machinery, Protection & Indemnity, MLC, Marine General Liability, Marine Employers Liability and Loss of Hire.

He has conducted numerous casualty investigations, damage surveys and loss prevention inspections on board vessels and been the principal point of contact for key insurer clients including Lloyd's Syndicates, handling claims worldwide on both a lead/primary and re-insurance basis.
